## Education

2005

BS Computer Science

University of Southeastern

Philippines

## Profile

I am a self-taught graphic designer. I started way back in 2010, working for a print advertising company making banner designs to 3d mockups such as storefront and kiosks, cabinets and tables to making website designs and implementing through WordPress.

## Experience

2012 - Present

Freelance

### Graphic | Website Design

To keep my skills at top-notch, I continuously cater to small-medium client requests and tasks such as but not limited to graphic design, WordPress websites.

2019 - 2021

Healthy Chicken

### Graphic | Website Designer

I am tasked to create graphic designs for both print and digital media, and also to create and maintain their website.

2010 - 2011

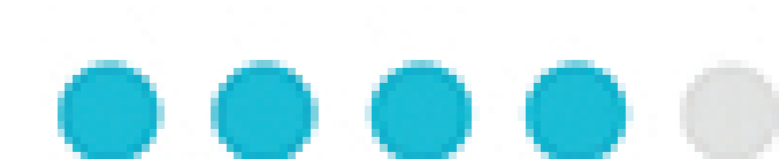

Art Grafix Inc.

### Senior Graphic Designer

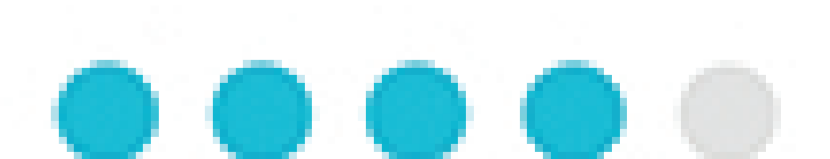

The main task is to create graphic designs with respect to clients' specs and requests. I also handle clients meeting, on-site evaluation visits, and implementation.
